Day 19 Action Steps

Your Money Vision

1. Write out your money vision. Why do you want money? Usually it's not money you want, it what money can buy. Perhaps a new house, a car, private school for your children, latest electronic gadget, security, freedom, vacations, comfort and anything you place value on.

It's okay to make a short term and long-term money vision.

2. Download your Adding Doubloon to Your Treasure Chest Bonus in the resource section and complete it. This will help identify your interest, talents and skills.

3. Ask your subconscious mind to make it a priority to use your money vision to come up with money ideas. Don't try to come up with the "perfect" or "original" idea. When something pops into your brain, record it in your Money Idea Journal.

4. Always express gratitude for being given the opportunity to use your Money Vision to inspire ideas.
