

## *I Follow My Passions to Achieve Success*

I am a passionate person. Deep within, I have a burning desire to succeed. I listen to my inner voice and let it guide me. ***I realize that my greatest successes come when I embrace my passions.***

Each day I set aside time to look within myself and explore the beautiful world of my inner space. Little by little, I incorporate my true passions into my daily routine.

I seek guidance from my inner self on how to incorporate my passion into my work day. I aim to work more joyously and efficiently.

***I bask in the joy of acknowledging my desires during my day-to-day activities.***

I know that I can live any way I want if I set my mind to it. I am a powerful creator. The act of pursuing my dreams propels me forward. Once I set a goal, nothing can stop me from achieving it. My life journey reflects my commitment to my true self.

As I face life's challenges, I take comfort in knowing it is because I am pursuing what I desire most. ***As I commit to follow my passion, my life becomes easier.***

When I move towards my true calling, I feel a great weight lifted from my shoulders.

Today, I choose to awaken the spark within me. I acknowledge what I truly want to do, be, and have. I say yes to success, and step toward the life I know I deserve. ***My passion motivates me.*** I know I can achieve anything.

### **Inner-Reflection Questions:**

1. When I was a child, how did I envision my adulthood?
2. What dreams have I given up on? Why?
3. How does my daily routine reflect my true passions?
