Meet Ann Rusnak

From childhood dreams of entrepreneurship through lemonade stands to a thriving home-based design business, my path seemed set.

But success's shadow loomed large—I was winning in business but losing in life, with health and family time paying the price.

A wake-up call in an ambulance taught me hard lessons about balance. I reinvented my approach, creating a system that turned minutes into profits without sacrificing my well-being.

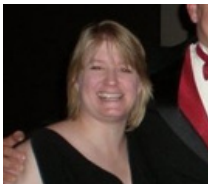

Now, I share this magic through the Money Time Freedom Formula™, showing entrepreneurs how to achieve the same results... more income without the burnout, and a life enjoyed to the fullest.

"Ann This System is Unbelievable... I had my best month back in February. I topped that in May by passing last years income. It's been a breakthrough year. By the end of July or middle of August I should hit the leaders criteria for my company which I've only made once in the last four years... So it's very exciting."

I knew I was putting things off that needed to be done now. Today I'm making my schedule and have attained goals, not only in my business but in my personal life too.

"You have helped and my team focus on what is important to business profitability, so we stayed focused to complete projects on time. The ROI far exceeds the cost of the program!"

~Tracy L. Jones

"This week had been a game changer. Thanks to Monday's training, I told myself daily I ROCK! and intentionally carved out time for my business and stuck to it. I closed my office door and got busy. That yeilding in 4 new one to one appointments on my calendar. Yeah Me!
