

# *Top 7 Prosperity Quotes and Affirmations*

We need to focus our minds on prosperity if we're going to attain it. Positive thinking can help us recognize all that is good in our lives and if something is lacking, thinking positively can help us take action towards attracting what we want.

Here are 7 of the top prosperity quotes and positive affirmations you can work into your day to make your life more abundant, prosperous, and joyful.

## *1. "My higher self is guiding me in the right direction."*

Accept that you're guided if you really want to accomplish what you're called to do. Trust your instincts to guide you along the right path to your prosperity.

## *2. "I am discovering the purpose for my life."*

The only joyful life is the purpose-driven life. The aimless life is not worth living. When you feel that you have a reason for being, you will feel fulfilled and your life will be beneficial to others.

## *3. "I know my mission."*

What is your mission? Decide for yourself, then write it down as concisely as you can. Visualize yourself accomplishing your mission on a daily basis. Don't expect your mission to be easy, instead, expect yourself to be strong in completing it

#### 4. *“I sit at the feet of the great masters.”*

Learn from those who have gone before you, those who have already struggled, those who have already overcome, those who have already achieved, or those who already have fulfilled similar desires to yours. You don't have to figure out everything for yourself.

#### 5. *“I am managing my time well.”*

If you need to create a written schedule in a journal or input your tasks into your computer's calendar, then do so. Spend your time doing things that will make you money, bring you personal fulfillment, or otherwise make you the success you want to be.

#### 6. *“My goals are written down*

Write down your goals, short term and long term. Read them over on a daily basis. You have to internalize your goals so they flow through your life and inform your every action. Goals are important on your path to success. Each goal builds upon the last.

#### 7. *“I measure my progress.”*

You need to stay objective. How are you really doing with your progress? Success largely rests on your imagination, but it's not only about wishful thinking. Tracking your progress is important to see how far you've come toward reaching your goals.
